OGMA 2016 Lifetime Achievement Award CALL FOR NOMINATIONS

OGMA Members,

Each spring, OGMA recognizes individuals that, throughout their professional career, have made lifelong and/or outstanding contributions to the glass and metal industry. Criteria for consideration include significant accomplishments through OGMA (and its predecessor MTGA) or other industry-related associations, as well as tenure in the industry.

Candidates are nominated by the membership. Nominations are reviewed by a committee and a recipient selected. The award is presented at an OGMA spring event.

Nominations may be made by any individual who is, or whose employer is, a member in good standing of OGMA. OGMA Directors encourage Association members to take the time to consider the call for nominations.

If you know of someone who has earned consideration for the OGMA lifetime achievement award, please complete the nomination form below, providing a detailed reason for the nomination, and submit to Angelo Cairo at angelo@stouffvilleglass.com by April 15, 2016.

Regards,

Angelo Cairo
 President, Ontario Glass & Metal Association
