## SERVE CENTER

faith hope love

You want to serve, but you're not sure where... The **Genesis Project Serve Center** is the place for you! Starting February 27<sup>th</sup>, Fridays become **GP**

**Serve Day** at the 12<sup>th</sup> Street building. That's right! **ALL AFTERNOON** at our 12<sup>th</sup> Street location, we will be providing all kinds of community outreach. The serving will start at 3pm and go until 8pm, finishing up with our **FRIDAY NIGHT LIVE Worship Service** from 8-9! We will be offering food distribution, clothing, counseling, job coaching, mentoring, seminars and recovery services. For the Grand opening on the 27<sup>th</sup>, a meal will be served from 7-8. If you want to help and can give a few hours, weekly or just occasionally, stop by and see Pastor Alfred on Friday at the Serve Center. He will be there every Friday from 2-10pm. If you want to help with the kids on Friday evening (and this has become a real area of need at GP) please contact Andy at [andy@genesisutah.com](mailto:andy@genesisutah.com).

### Calling ALL Adults with Hearts for Kids!

As the Genesis Project has grown, so too have our children's ministries. The fact is, we are bursting at the seams in both our Sunday Kids Church and evening kids programs. We need your help! Every Sunday morning, we have hundreds of kids to minister to and not enough adults to keep up with all of them. Every Wednesday and Friday evening we are

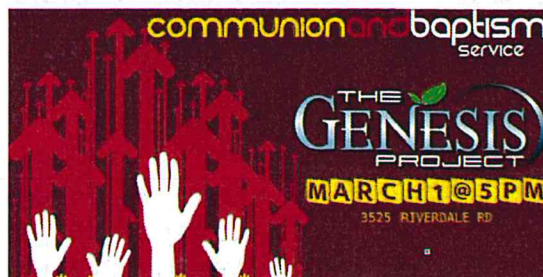

enjoying 50-100 kids. We won't ask you to set up a lesson plan, we take care of all of that. We don't require a PHD in child psychology, it's just sharing Jesus with kids. AND, this doesn't have to be an "every week" commitment. Just giving some of your time and talent to invest in our kids every few weeks goes a long way. If you're willing to help in this valuable ministry, particularly on Wednesday or Friday, contact Andy at [andy@genesisutah.com](mailto:andy@genesisutah.com)!

### Final Countdown – Provo Campus Set To Launch!

Construction is nearly complete. The paint is on the walls and the final preparations are being made for the

launch of **The Genesis Project – Provo**. Official Grand Opening is on **Easter Morning**. God is so good and He is about to move mightily in Provo. Please be praying for the GP staff and current members. Pray also for the city of Provo and the surrounding area, that God would be preparing hearts and souls for revival.

**3525 Riverdale Rd, Ogden** Sunday, March 1<sup>st</sup> will be a an amazing night at GP. From 5-6pm, we will be having our **FIRST EVER Communion and Baptism Service** at HUB 801. This will be a family event with no child care. After the service, from 6-7pm, we will be having a Meet and Greet! This will be your opportunity to connect with our staff, find your fit within our community and learn how God has called each of us to be an important part of the transformation of the City of Ogden. Be there! This is sure to be an amazing evening!

# HUB 801

coffee

We are excited to start serving you once again this spring at Hub801 Coffee. At this time, all architectural drawings for the new space are complete and have been submitted. Our General Contractor and an amazing team of volunteers are ready to help and get started on this project once we receive the final thumbs up. We anticipate the final permits from Ogden City to be finalized within the next several weeks. We will then be able to start some demolition of the space to prepare for construction. *If you are interested in volunteering in this project, please contact Holly Hill (801) 388-4986. See you for coffee this spring!*

## GP LIFE

**Wednesday Nights @7pm  
Don't Miss it!**

If you haven't checked out the ALL NEW GP Life on Wednesdays, you're missing out! Since late January, we have been spending an amazing time every Wednesday night at HUB 801, diving into God's Word and spending time together. It's not too late to get involved. We still have plenty of space. We are studying things like:

- ☑ *Where's God when life isn't going like we want it to?*
- ☑ *Do our lives even matter?*
- ☑ *Do we get so wrapped up in religion that we miss out on what's really important to God?*
- ☑ *If God cares about us, why don't we have what we want?*

We have many more interesting topics we will be jumping into in the weeks to come. Each week, the youth will be studying the exact same thing the adults are going over. This makes for a GREAT conversation starter with your teenager! We still have plenty of room, so come on over to The HUB for some worship, a mini-message and some GREAT conversation!

### Genesis Project Grows Again!

Formerly City Church of Covington, The Genesis Project of Covington, Louisiana opens its doors on March 8<sup>th</sup> for its first services as The Genesis Project. Jeff Hummel, former pastor at GP Ogden, and Pastor Matt's partner in pastoral mischief, will be leading our newest GP family members. We will be sending a group of staff members to Louisiana for the occasion. We ask that you keep The Genesis Project Covington, and the city that is about to experience God's revival through them, in your prayers!

**YOUR GIVING MATTERS**  
Help us help our city! Be a part of what God is doing in Utah. You can give on Sunday during the service, or at the kiosk. You can also give online! It's safe, simple, fast and effective.
