Do you have patients **that need implants** and **cannot afford them?**

The **Pacific Implant Institute** is looking for patients for our upcoming courses. We will offer treatment to selected patients at greatly reduced prices. Our selection process includes a free CT scan and evaluation by Dr. Bobby Birdi or Dr. Ron Zokol. If your patient is selected for treatment by the Pacific Implant Institute, you will be informed of every procedure that is completed on your patient. If you would like to refer your patients for selection into the program, please contact us at: info@implantstudy.com or call us at 1-800-668-2280
