

SUMMER INSTITUTE
“Cortical Visual Impairment:
A Focus on Phase III Learners”

Hosted by:

Connections Beyond Sight and Sound

Presenter:

Dr. Christine Roman-Lantzy

June 22 - 24, 2015

University of Maryland at College Park

Sponsored by

Connections Beyond Sight and Sound, the Maryland and DC Deaf-blind Project

www.cbss.umd.edu and on Facebook – “Maryland and DC Deafblind Project”

DEADLINE TO REGISTER IS May 13, 2015

Workshop Focus and Featured Speaker

This workshop is designed to provide assessment and educational information regarding Cortical Visual Impairment, specifically children who score in Phase III on The CVI Range. Participants will gain knowledge and skill to better identify, assess, and educate children with CVI. Topics will include general assessment and intervention strategies, environmental modifications, orientation and mobility, pre-literacy and literacy learning strategies for children in Phase III. Discussion, videotapes, and hands-on activities will be utilized to enrich the content.

Target Audience

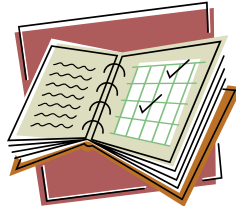

The Institute is designed for participants who have experience and prior knowledge of CVI. This is not an introductory course!

The course content is specifically relevant for individuals who live or work with children who have cortical visual impairment with or without other disabilities. This Institute is designed to meet the needs of regular and special educators, family members, related service providers, administrators, teachers of the visually impaired, and teachers of the deaf/hard-of-hearing who work directly or indirectly with students with dual sensory impairments and/or cortical visual impairment, Phase III.

2015 Institute Schedule

Monday - Wednesday, June 22 - 24, 2012

8:30 – 9:00 am	Registration and continental breakfast
9:00 am – 12:00 pm	Institute Program
