

# MAPCS

Massachusetts Association of Private Career Schools  
*Dedicated to outstanding education and career training*

## Join MAPCS

### Massachusetts Association of Private Career Schools

MAPCS is the only statewide association representing the industry which is comprised of private post secondary career schools in Massachusetts.

#### Legislative Advocacy

MAPCS represents its membership with the Massachusetts Legislature to promote and protect the interests of its members, giving them a voice in the legislative and regulatory process.

MAPCS also works directly with the Massachusetts Division of Professional Licensure and other state licensing agencies to address regulatory issues that are critical to the private career school's success. Our goal is to protect your right to operate your school in a professional and efficient manner, while providing a quality educational environment for your students.

#### Educational Training and Networking

To keep members up to date on issues of importance to the private career school industry MAPCS holds quality seminars throughout the year on legal issues, recruitment and retention, admissions, financial aid, faculty development and marketing. Our goal is to provide continuing education for school administrators, admissions representatives, and educators. These programs connect MAPCS school directors and personnel with national trainers, local speakers and successful peers. Most accrediting agencies recognize the value of such professional development.

#### Online Training

MAPCS offers online training and continuing education programs for its member schools. Our VIP Code will allow members to purchase "enrollment keys" online at a special member rates. Each key is valid for one course enrollment and each course provides four hours of continuing education credit.

#### Publications

The MAPCS e-newsletter includes announcements to inform members of important business and career-school issues and events and is published quarterly

The Association's online Directory of Career Training Schools showcases member institutions and provides their contact information. The list provides direct links to members' web sites and email links are also provided for potential students to request additional information.

#### Membership Certificate

Upon joining, each school receives a MAPCS Membership Certificate that shows a commitment to the benefits of involvement in a professional association.

#### Discounts

Members also receive discounts of up to 50 percent for all MAPCS seminars and conferences. Plus with [StaplesLink.com](http://StaplesLink.com), you can order supplies electronically and save time and money.

## Economic Impact Profile (Optional)

This information will not be published.

How many students were trained in your school in the last 12 months? \_\_\_\_\_

What percentage of students that start your program complete the training? \_\_\_\_\_

What percentage of students were placed in a training-related job after they graduated last year? \_\_\_\_\_

What is the average length of your program in months? \_\_\_\_\_

What is the tuition for your average program? \_\_\_\_\_

Is financial assistance or aid available for those that qualify? \_\_\_\_\_ Yes \_\_\_\_\_ No

What career programs have had the highest increase in enrollment at your school during the last 24 months?

## Membership Dues (The MAPCS fiscal year runs from July 1st - June 30th.)

Annual membership dues are based on a standard formula of \$400 for each \$100,000 in gross business revenue, with a maximum contribution of \$2,000 and a minimum of \$400. Each separate school, campus, or branch needs to be a member of MAPCS for a school or staff to receive benefits.

\_\_\_\_\_ I have read and will abide by the [MAPCS Ethical Standards](#).
