

Meet **Dr. Juliette Sterkens**,
National Hearing Loop Advocate
Hearing Loss Association
of America

Let's Loop Western North Carolina !

Hearing Loop Demonstration and
Informational Community Meeting

WHEN? Monday, February 16, 2015

TIME? 7-8 PM

WHERE? Reuter Center, UNCA,
Campus View Rd., Asheville.

*The auditorium is looped !!
Captioning provided !!*

What is a Hearing Loop?

"It's like Wi-Fi for Hearing Aids!"

Who can benefit?

*People with hearing loss, especially those who wear
hearing aids or cochlear implants, and others
using headsets to access a loop.*

What spaces can use them?

*Houses of worship, theaters, auditoriums, government
facilities, pharmacies, doctors' offices, businesses,
and your own TV room!*

Today 48 million people in the USA and 16% of North Carolinians have hearing loss!
