New Turkey Breast

All of our Turkey now has a new recipe. The Turkey is now reduced sodium, with a cleaner label. This new recipe is also much less dry then the old. This is another step Subway is taking to always improving what we offer our customers. You can try the new turkey on this month's special, the Turkey Italiano Melt, or try a Turkey and Bacon sub.

Now Hiring:

Would you like the chance to join our fun team? Can't get enough of our sandwiches? We are looking for part time help. You can apply online at www.subway.com or www.mysubwaycareer.com. Now we are primarily hiring people to work the opening shifts.

Register your Subway Cards

Right now if you register your Subway cards, you get an additional 50 points. 50 points is enough to get a regular six inch sub for free. Subcards can be registered at www.mysubwaycard.com.
