

Breaking news!
Pete Carroll is leaving
the Seahawks
Late breaking story from ESPN Sports center.....

Pete Carroll, former head coach of the Seattle Seahawks, is reported to be very near to signing on as a special consultant to The Pope in Vatican City.

The Pope looks to recruit Carroll to be a spokesman for the Catholic Church because he is the first man in history that made 100 million people jump up and yell

"Jesus Christ!" at the same time.

"Gotcha !"
