

The Agape Road - Journey to Intimacy with The Father

The series is entitled Agape Road and is a culmination of Bob Mumford' life message. Recording artist, Geoff Moore, introduces each session and his music video of "God Bless the Broken Road" is on the end of Session One. This is an exceptional video series.

What you will learn:

- * Believers are on a journey called the Agape Road. Jesus takes us on this journey.
- * Believers get off the Agape Road when they take an excursion into worldliness or man-made religion. We can get off the road in both directions at the same time or go back and forth.
- * Seven giants are identified that entice us to take a detour. These giants are manifestations of eros, the opposite of agape love, or God's love.
- * When we get off the Agape Road, God sets His love on us and draws us back to Himself.
- * We learn to stay on the Agape Road through abiding -- holding steady -- in the crises of life that tempt us to take one or the other of these detours.
- * We make progress on the Agape Road when we become Father-pleasers, centered on God.
