

Pitch In and Help Our Community Grow!

Join the Women's Initiative as we support the efforts of the Regional Environmental Council (REC) YouthGROW Program. Help us plant seedlings for 80 community gardeners, local childcare centers, and the Worcester Public Schools. It will be very light and fun work!

Thursday, March 26, 2015

4:30 p.m. - 6:30 p.m.

For more information, including directions, please contact Anne Wettengel, at awettengel@unitedwaycm.org or (508) 757-5631 ext. 251. Spaces are limited. Refreshments will be served.
