

Essential Skills for Today's Teens for Social and Business Success

March 29, 10:00 AM to 2:00 PM

Bennett's Bistro, 7650 SE 27th Street, Mercer Island

Class is open to teens ages 13 to 17

The teen years can be an exciting time as your teen transitions to more independence, but it can also be a stressful period in today's competitive environment. Make sure your teen is ready for the challenges that lie ahead whether dating, college interviews, their first job, or formal dining. In this class, teens will learn the essential skills they need to confidently and comfortably navigate social and professional situations.

This fun, interactive four and half hour class will cover introductions and handshakes, confident body language, digital diplomacy (cell phones, email, texting and social media), conversation skills, interview essentials as well as table manners and dining etiquette.

Tuition: \$112 per teen, which includes a three-course lunch, handouts and goodies. Space is limited to 12 teens. Additional classes can be added if the class fills up.

Testimonial

"Thank you for the terrific class you taught here at my house. The kids clearly enjoyed it and I am already benefitting from very pleasant behavior changes in my kids, especially my son. My daughter benefitted most from the social media do's and don'ts. I will most definitely let my friends know about your upcoming classes."
