8:30 am to 12:30 pm • Presentation
Hilton Hotel • Concord, CA • 925-827-2113
1970 Diamond Blvd., Concord, CA

COURSE DESCRIPTION:

The course will cover a review of the anatomy of the nerves and skull landmarks utilized in administering local anesthesia. The physiology of the nerves and sodium channel and its role in obtaining anesthesia will be discussed. The attendee will receive a review of the different local anesthetics agents which includes maximum doses, indications and contraindications for use in administration. A review of all injections, including new techniques will be presented as well as an opportunity to practice with a cotton tip applicator on fellow attendees. The practitioner will gain an understanding of what to do if your patient is not numb, and how to handle the anxious patient. Supplemental techniques will be shared and class participants will be asked to share their experiences in practice to help us troubleshoot and maximize the use of local anesthesia. ***Don't miss the opportunity to meet the CDHA President Elect and provide input into CDHA's future!***

About our Speaker:

Lygia has been a practicing registered dental hygienist since 1986, she currently teaches dental hygiene full-time at San Joaquin Valley College in Visalia, California. Lygia has been involved in CDHA for many years serving as a component president, trustee, council chair, VP of Administration and Public Relations, Secretary Treasurer, and currently is President Elect. She is a mother of three children, ages 18 20, 22. She is married to a wonderful husband for 21 years Kirk Jolley. She resides in Hanford, CA and is involved with church activities, and High School Band activities. She enjoys playing the organ and piano and reading to relax. Her theme for all to remember is *"If I can do it, you can do it too."* (Taken from the movie Anastasia)
