Mr. Conway,

On Monday, February 23, we released our "Blueprint for a Better Kentucky." It lays out a detailed plan for our Commonwealth and the solutions our administration would offer if given the sacred trust of our fellow Kentuckians.

When we released our plan, we challenged the other candidates in the Governor's race, on both sides of the aisle, to release their plans as well. All candidates owe this to the citizens of Kentucky so that we can make an informed decision before casting votes in the primaries and in the general election.

We would like to reiterate this challenge to you personally. Please put forward your specific plan and let's debate our ideas in the days and weeks ahead.

The voters of Kentucky deserve no less.

Let Freedom Ring,

Matt Bevin
