SHOT Open Showcase – Demos and Drills with all products, all day long!

PFC is hosting this special event to showcase the best gunfighter gear and training for 2016, all in one spot! Attendees will be able to meet with company reps., see the latest products, and USE the gear on our UTM training range with demos and drills from the PFC Training instructors. Unlike the SHOT Show floor, here you'll get to dynamically apply and test drive equipment during professionally instructed exercises that highlight the advantages of the product. Featured companies will also be offering FREE drinks, special product DISCOUNTS, FREE swag, and GIVE-AWAYS! Do not miss this event during SHOT Show week.
