SPECIAL EVENT

New Orleans Mystery with Maggie Steber **SOLD OUT!**

This special event, sponsored by the **Leica Akademie and the LHSA**, is an exploration of the photographic mystery in the streets of New Orleans with world renowned photographer and visual storyteller Maggie Steber. Class size is limited to 10 photographers. Must bring computer laptop with Lightroom.

The streets, architecture, bars and alley ways of NOLA will serve as the backdrop as participants create a story of “mystery” inspired by the location and by looking at various photographers, who have used light and shadow to create photo essays and films in the past. Scheduled to coincide with the LHSA’s Spring Shoot, this workshop is perfect for those open to a creative challenge, designed to open your eyes to new ways of making pictures. We will meet for three days at 4PM Wednesday-Friday and conclude with a final edit on Saturday morning, allowing students plenty of time to enjoy other lectures during the meeting. Class size will be limited to no more than 10 students, to ensure the best possible learning experience and personal attention from Maggie Steber and Manager of the Leica Akademie, Tom A. Smith. Students will have access to a full selection of Leica cameras from compact to Monochrome for the duration of the workshop.
