Young Israel Visiting Scholars Program Rabbi Ephraim Buchwald

This Shabbat, February 14, 2015

Rabbi Ephraim Buchwald is one of the leaders in the movement of Jewish return in America today. He has pioneered and developed many of the most dramatic and effective outreach programs in this country. Ordained at Yeshiva University, where he was a student of Rabbi Dr. J. B. Soloveitchik, Rabbi Buchwald served from 1973 for 15 years as the Director of Education at Lincoln Square Synagogue in New York, which, during his tenure, became one of the largest and most successful centers for adult Jewish education programs in America. He also established and coordinated Lincoln Square's celebrated outreach program. Since 1975, Rabbi Buchwald has led the now-renowned "Beginners Service," a special Shabbat service for people with little or no synagogue experience. In July of 1987, Rabbi Buchwald founded the National Jewish Outreach Program. NJOP sponsors the acclaimed SHABBAT ACROSS AMERICA /CANADA and READ HEBREW AMERICA /CANADA campaigns, establishes Beginners Services and offers the TURN FRIDAY NIGHT INTO SHABBAT, PASSOVER ACROSS AMERICA and SUKKOT ACROSS AMERICA programs, as well as free "Crash Courses" in Hebrew Reading, Basic Judaism and Jewish History. These programs are now hosted by more than 4,884 locations across North America, and in 42 countries worldwide.

Youth

- ♦ Mrs. Maman will be leading the girls (and Moms!) in creating beautiful earrings this Sunday at 10:30am in the social hall. The cost is only \$5 per person, but please RSVP to 786-320-2562. By calling,, that also leaves us the chance to change the time and date if convenient for everybody (and thank you Mrs. Maman for being so flexible!).
- ♦ At 12:15pm, as the girls are putting the final touches on those earrings, the boys will arrive to have a pizza lunch to celebrate the weekly Shabbos youth groups (the girls are of course invited to join, as well!) and they'll be enjoying Super Bowl hi-lites during that Celebration! (the girls can join for that too, I guess)
- ♦ Congrats to ALL the boys and girls who received their beautiful Tu-b'shvat themed certificates that Etti designed, and the AspaClaria gift certificate (note their new address!) Note that the boys of the choir also will be presented certificates for their efforts each Shabbos!

Good Shabbos!

Young Israel Youth dept. is excited to announce the start of its leadership minyan every shabbos at 9:30. People below the age of 17 and above the age of groups are encouraged to participate. See Rabbi Roth for more information.

Young Israel Visiting Scholars Shabbos Feb 21. (at Shalosh S'eudah)

Rav Menachem Mendel Blachman was born in Hamburg, Germany, and came to Chicago as a child. He learned in a Lubavitch High School, and then came to Israel to study in the Hevron Yeshiva. He later studied at Kollel Pachad Yitzchak, where he became a talmid muvhak of Hagaon Rav Yitzchak Hutner, זצ"ל.

Rav Blachman has been teaching in Yeshivat Kerem B'Yavneh since 1979, and follows the derekh espoused by Rav Chaim Halevi Soloveichik of Brisk, זצ"ל. In addition, he inspires talmidim with chugim in Nefesh Hachayim and Chassidic thought, and is known for his profound talks at tishes in the Yeshiva and seudot at his house on Hoshana Rabbah, Chanuka and Purim. A caring and dedicated Rebbe, he is concerned about the growth of each of his talmidim, and actively engages them in discussions on general, as well as religious issues, forming a lasting relationship with many of them. Beyond Kerem B'Yavneh, Rav Blachman lectures on topics in Jewish thought in Yeshivat Reishit Yerushalayim and Nishmat Institute. **Free and open to the public.**
