

## BIO – Dino E. Browne

Dino E. Browne, Owner and Managing Principal of DDB Associates, has more than 20 years of experience in providing strategy consulting and business advisory services across a variety

of industries such as healthcare, financial services, consumer products, telecommunications, retail, eye care and beverages. Mr. Browne has extensive knowledge in strategic and financial analysis, operations management, and process improvement.

Throughout his consulting career Mr. Browne has provided senior-level operational leadership aimed at improving profitability, identifying strategic avenues to success and exceeding client expectations for organizations such as PepsiCo, Bausch & Lomb, Goodyear, Corning, Johnson Controls and Columbia-St. Mary's Hospital.

Most recently, Mr. Browne served as Owner and Managing Principal of DDB Associates, a business strategy and operations management consulting firm focused on providing executive management skills and capabilities to both institutional and corporate clients. He oversees and directs services such as strategic/tactical planning, operations and process improvement, sales, marketing, and logistics strategies, customer service optimization, business/product development and acquisition/joint venture strategy.

Now Mr. Browne will now serve as the Executive Director of the Las Vegas Urban League's Entrepreneurship Center. Mr. Browne holds a Bachelor of Science degree in electrical engineering and a Bachelor of Science degree in management science from the Massachusetts Institute of Technology. He is a member of Kappa Alpha Psi Fraternity, Inc.
