

**Last semester didn't go well? Need to work towards a better grade?**

**ELCA Connect Credit Recovery can help!**

The 2014-2015 ELCA Connect High School Credit Recovery program makes it possible for students to repeat a course that was not academically successful the first time taken. These courses are taken online with a certified online teacher. Enrolled students are required to take all module tests and exams at ELCA in a proctored setting.

High School Credit Recovery courses may be taken during the school year in conjunction with the student's traditional academic classes or taken during the summer.

High School Credit Recovery courses are NCAA approved because they are NOT abbreviated courses. Enrolled students take the entire course over again. Semester courses have a minimum enrollment period of 10 weeks and yearlong courses have a minimum enrollment period of 20 weeks.

High School Credit Recovery course costs are:

- \$450 + \$50 application fee per semester course
- \$650 + \$50 application fee per yearlong course

If you have questions or need additional information, contact:

Martha Fairley, Director of ELCA Connect Online Learning
