Dear sir,

How are you..? How is your work..? Convey my regards to your family members. I am doing my eye massages regularly. I am getting improvements day-by-day. I am suffering severe stomach acidity problem and burning sensation in stomach since nine months. I consulted a gastro doctor. He examined, have done endoscopy and scanning. There is no problem inside the stomach and no ulcer. but too much acid secretion is existing. A small renal stone is forming but no problem. He told me it will vanish away by drinking lot of water. Doctor given some medicines for acidity which I am consuming daily. If I eat chilly food accidentally, burning of stomach become more severe. How to overcome acidity..? You have any home remedy or idea..? Anyway I am totally controlled my diet style by drinking lot of water, eating bananas etc. Now my eye problem has changed to stomach burning disease. God not relieving me free. All are giving by Him and expecting He will save me.

Nothing more to add  
Thank you
