

Make Money With A Viral Media Website Working Less Than Part-Time!

Make money with Viral Videos, Pictures, Games and Sound Bytes!

Unless you've been living in a barn or cave or on another planet with no communications you've no doubt read the headlines. **YouTube sells for \$1.6 Billion. PutFile for \$7.5 Million. Dorks.com for \$1.5 Million.** With the advent of more robust video storage and streaming technology and lower bandwidth costs viral video media has exploded almost overnight. We now have easy access to millions of web-based videos and, right now, it has never been easier to cash in on this media phenomenon.

I am a successful entertainment webmaster who makes a full-time living on the internet. I run many different websites in many different niches and the one thing that startled me when I ventured into viral media was how quick it was to be successful. In other niches I spent years getting my sites traffic and revenue. With an entertainment site I made good money in the first month. Any of you that have tried to make money online know how tough it can be. Books advertise easy secrets and riches, but it's always harder than promised. I'm not going to tell you that my guide will allow you to kick back and simply count the money. You will
