[The Mission of the Douglas County Educational Foundation](#) is to develop private resources to enrich education within Douglas County schools for the fulfillment of lifelong learning experiences of our students, citizens and community.

The Foundation will achieve this mission by directing support where appropriate toward the following objectives:

- facilitate learner development through enhanced educational activities for all ages within the community
- enrich individual life experience by promoting cultural activities in the arts and humanities
- support the professional growth of teaching by encouraging new and creative ideas for delivering education, and
- promote school and community partnerships by encouraging individuals and organizations to share resources.
