Your Canadian Angus Association (CAA) will enhance our communication platform to include offering the Association's news as a video broadcast. The video broadcast is called AC-TV. What is AC-TV? AC-TV stands for Angus Central Television and will be put out quarterly during the year. There will be a variety of news stories included in each episode of AC-TV. From the CEO and President reports, to industry stories and award winners for the year; everything Angus will be cast on AC-TV.
