

**YAVNEH
ACADEMY**

January 5, 2015

Dear Parents,

Thank you again for choosing Yavneh Academy for your child's education. We are thrilled to have you as an integral part of the Yavneh family. Your child is part of a caring and nurturing environment, with dedicated teachers on the cutting edge of educational pedagogy, all taught in an environment infused with Jewish values and learning and committed to the State of Israel.

Together with the Board of Trustees, we have worked hard to keep tuition for the 2015-2016 school year as affordable as possible, while keeping our faculty, together with our academic and extra-curricular programs, as strong as they can be. Tuition for next year will be \$24,450.

Reenrollment for your child for the 2015-2016 school year is officially open. Reenrollment will be conducted exclusively through the online Parent Portal *My Backpack*. This is the same portal used for student grades and our online directory.

Yavneh will be offering an early reenrollment incentive as follows:

Enrollment on or before February 9, 2015	\$200
Enrollment February 10, 2015 to March 9, 2015	\$400
Enrollment March 10, 2015 or after	\$600

You may pay online with automatic bank payments (ACH draft). Reenrollment fees are non-refundable.

In order to properly manage enrollment and budget, Yavneh will adhere to the stated due dates and will not make exceptions. In the case of extenuating circumstances, please communicate directly with the business office in advance of any due dates.

Yavneh strives to provide Financial Aid (FA) to every deserving student demonstrating financial need. Financial Aid applications are due by February 6, 2015. All supporting documentation will need to be uploaded by February 28, 2015. Families applying for FA after such date will not be guaranteed an award.

Thank you in advance for your prompt response and for entrusting your child to us, as valued partners in your child's education. We look forward to another great school year at Yavneh Academy!

Sincerely,

Dr. David A. Portnoy
