

"SHOOTING FOR A CURE" 2015 LADY LAKERS SPONSORSHIP APPEAL

You are cordially invited to support the **Mercyhurst Preparatory School** (MPS) Girls Basketball Team and the Lady Lakers Cheerleaders in the **2015 Think Pink "Shooting for a Cure" Campaign**. Each year, the Lady Lakers team set out to support our loved ones that are fighting this awful disease. Our young athletes and future community leaders have set a goal of **\$3,000** for this year's Saturday, February 14th, 2015 basketball game fundraiser.

The evening schedule will include a junior varsity game at 5:00 and a varsity game @ 6:30 PM against the McDowell Lady Trojans.

To succeed in this crusade, the Mercyhurst Prep girls' basketball team and the Lady Laker cheerleaders will host the **6th Annual Shooting for a Cure** evening on **February 14th** to create more awareness of this disease that affects 1 of 8 women in our community. In addition, the event is established to collect monetary contributions for **StringsforaCURE** and **the Erie Chapter of Making Strides American Cancer Society**.

The evening also includes a momentous celebration as the players honor the breast cancer survivors who remained steadfast and endured with incredible strength.

The Lady Lakers' appeal is to secure your family or corporation's monetary donation for the "Shooting for a Cure" campaign. We would like to prominently display your company's logo and/or family name at the basketball gymnasium. Your generous donation is greatly appreciated.
