*"An investment in knowledge pays the best interest."* **Benjamin Franklin**

Dear Community Friend,

On April 18, 2015 St. John Bosco Catholic School will host our 14<sup>th</sup> Annual Golf & Gala – “Bosco Goes to Broadway.” The event consists of two major components – early morning golf at Club West and an evening gala and auction at the Sheraton Four Points. We humbly ask for your support in helping our students soar to places beyond their wildest imaginations.

Paramount to the success of this event is Corporate Sponsorship. Today we ask you to consider lending your support to “Bosco Goes to Broadway” through donations of products and services for our silent and live auctions. For your contribution, you or your company will receive recognition within our school and parish communities along with our deepest gratitude. Please know that your donation is always truly appreciated and is **tax deductible under IRS code 501(c)(3). Our school Tax ID # is 35-2350484.** Your donation will be acknowledged at our event through our event program and on our website at [www.sjbosco.org](http://www.sjbosco.org). A receipt will also be provided to you for tax purposes.

Annually the funds raised from this event are utilized for special projects on our campus. These projects are designed to enhance our student’s educational experience and challenge them to raise the limits of their capabilities. This year’s goals are primarily focused on our youngest students:

- To invest in early childhood by outfitting our Pre-Kindergarten classrooms with state-of-the-art learning centers for science, technology and math.
- To purchase a technology cart complete with 32 iPads for our Pre-K through first-grade classrooms, giving them the tools and training to be true 21<sup>st</sup> century learners.
- To encourage our students to be forward-thinkers in the fields of math, science, and technology. To this end, we’d like to use a portion of the funds to enhance our school’s science program.

Friends, what we do at St. John Bosco matters. Our graduates are some of the best members of our community and our world needs them now more than ever. By focusing on the lifelong development of the whole child, ours is a community where faith is formed and leaders are born. Our graduates will span the globe and accomplish amazing things!

Thank you for your consideration of our request. If you would like to discuss other possibilities and/or customize a donation which might better suit your business, we would love the chance to meet with you in person. We look forward to working with you and making this event the most successful yet. Your investment will go far with these future leaders!

Gratefully,

The Bosco Golf & Gala Committee
