

SA Jobs 1st Training Program

FORKLIFT CERTIFICATION

Per OSHA regulation 1910.178, an employer must certify that an employee has received proper training and re-certification training on a forklift. Participants will receive a certificate of completion and a wallet card and will be trained in the following areas: OSHA Regulations, lift truck design and operating principles, pre-start inspection and preventative maintenance, worksite inspections, picking up a load, delivering a load, lift truck operator safety skills, and rough terrain forklift operation.

Trainer: Greater Johnstown Career & Technology Center

Program Includes:

- 4 hours of training
- Certificate of completion and wallet card
- Morning break

Cost per person: \$58

Program Value The program costs are being subsidized through a grant from the Commonwealth of PA. The total cost is \$188 per person. Attendees realize a \$130 per person savings.

To Register: Call 814-266-6073 ext. 133 or e-mail tswank@gjctc.org

Deadline: 5 week days prior to the training
