

What's Next for You?

EXPLORE Theological Education

@ McCormick on Saturday, February 27 & 28, 2015.

Really! Explore Theological Education!

When you consider:

- The lives impacted by your work
- The ethical decisions you have to make
- The cultural and religious diversity of the people you encounter
- Your desire to work for the common good

You Should Consider Theological Education.

McCormick Theological Seminary understands that the education and resources we provide are not just for clergy and ministers, but for people like YOU, who care about the people you serve and the world you encounter. Come and learn how theological education at McCormick can enhance your career and your life.
