

Lions Receive Dr. Franklin Mason Fellowships

During the 32D Lions Convention two lions were recognized with Dr. Franklin Mason Fellowships. Lion Brooksie Rentz, a member of the Saluda Lions Club, was honored with the Fellowship by her husband, PDG Charlie Rentz. Lion Hope McBride, Tega Cay Lions Club, received her Fellowship by personally donating to the program to further the service work of Lions.

The Dr. Franklin Mason Fellowship Program is a prestigious way to show commitment to the humanitarian efforts of SC Lions Charitable Services and further support the work of Lions. The FMF Program was established in 1974 in honor of Dr. Franklin Mason, a Past International Director of Lions Clubs International and individual leading supporter of the Foundation. The FMF is a recognition of unrestricted donations of \$1,000 to SC Lions Foundation.
