

## New Generation Lion Receives High Lions' Award

Lion Daniel J. Prohaska was awarded an International President's Certificate of Appreciation at the Lions 32-D Convention in Irmo on Saturday, February 28. The Presidential Certificate is the fourth highest award given by Lions Clubs International and was presented by International Director Michael Molenda. This recognition highlights an active Lion who has gone beyond the normal realms of service to their club and community.

Lion Daniel joined the Due West Lions Club in 2012. He immediately began to further his Lion's experience by becoming more involved. He not only serves but contributes annually to both LCIF and SCLF. For 2014 he served as a delegate to the MD32 State Convention. During the present year he will serve as a co-presenter at the 2015 MD32 Convention in Myrtle Beach. To further work in growing Lions he enrolled in the Certified Guiding Lions Program in 2015, and currently serves as the 32D District Social Media Committee Chair.

Lion Daniel graduated from Erskine College with a B.A. in Political Science with Non-Western Studies & Philosophy emphasis. He honed his leadership skills during his college days, serving as President of the Student body. He led the Erskine Student Body by collaborating with administrators, trustees, and others on campus improvement projects and representing student concerns to various Erskine constituencies and town officials.

Service is indeed part of Lion Daniel's repertoire. In the Winter of 2013 and 2015, he was commissioned to participate in a week long mission trip through the Southern Baptist Convention taking part in medical missions, village mapping, and discipleship training in West Africa.

We proudly recognize Lion Daniel Prohaska and look to more good things from this very active and involved young Lion.
