Artist of the Month silent A photography

Ambera Dodson, pronounced "Amber", owner of silent A photography, is an on-location portrait studio. Raised in Baton Rouge, Louisiana, her life's journey adventured through Vail, Colorado and Park City, Utah before she attended the Rocky Mountain School of Photography in Missoula, Montana. Previously she received a Bachelors of Arts in Public Relations with a minor in Business Administration and Psychology from Louisiana State University. In the winters she can be found sliding down a mountain, in the summer biking the roads. Ambera's passion is stopping motion with light, expressing the beauty of the subject's action in conjunction with the enduring magnificence of Lake Tahoe landscapes.

Business of the Month

The Tahoma Lodge was built in the late 1940's. The cabins have been updated over the years, but the architecture still reflects a cozy mountain charm of a bygone era. We are situated on two acres wooded with towering Cedars, Jeffrey Pines and SugarPines. We are across the street from Lake Tahoe with access to the beach and pier. Our heated swimming pool is open all summer & our hot tub is open year round. We have a basketball court and a children's play area. Private BBQ grills and picnic tables are available for your use and it's just a short walk to the market, pizza parlor, coffee shop, and SugarPine and General Creek State Parks.
