A private school education at West Bay is more affordable than you may think. Join us to see how a “Distinctively Christian and Academically Excellent” education will make a difference in your child’s life.

- 12:1 student/teacher ratio in K-Grade 8
 - Full-day Kindergarten program
 - Financial assistance and scholarships
- Half-day and full-day Preschool and PreK programs
- Comprehensive facilities and extra-curricular opportunities

“West Bay Christian Academy brings the joy back into learning through hands-on experiences, small class sizes, and a rigorous, engaging curriculum. West Bay is a family environment where teachers and staff show genuine love and encouragement to their students. Our time here has been a blessing not only to my son, but to our entire family.”

– Ann Richard, West Bay parent
