- 3:30 pm** **Adjournment**

Please RSVP by March 16 through either person:

Branch Administrator	-	Margaret Sutherland – 902-893-6950
Sales	-	Terry Prescott - 902-890-0132

There is no charge to attend or for the meal provided but we need an accurate attendance number to ensure enough meals for all in attendance.

We have applied for pesticide points and will know by the time of the meeting how many PRCP points the meeting will have qualified for, so all producers are encouraged to bring their pesticide license with them for registering for pesticide points

As mentioned earlier there is no charge however we will be graciously accepting monetary donations from those so inclined on behalf of the local 4 H organizations as a fund raiser for them – so come lunch “N” learn and help out a great cause all at the same time!!
