VISION is one of the biggest and best training events the automotive industry has to offer, and we are lucky to be part of the association that hosts it. What did you take away from the training? Come share your experiences from VISION 2015 with your fellow ASA Kansas City chapter members!

Didn't attend VISION this year? We still want you to attend this meeting and learn about the exciting insights the VISION attendees have to share. Once you hear about all of the advanced and comprehensive training offered at VISION, you will be sure to mark your calendars for VISION 2016!
