- **CreArt!** Unleash your creativity with a variety of simple and purposeful art activities. Participants will go home with a number of completed projects, instructions, and ideas for use with all ages in VBS, gift-making workshops, service projects, and retreats.
- **Creative Bible Study** Looking for creative ways to share God's WORD? Experience ways to strengthen connections between Scripture and real life through a variety of interactive approaches to reading, hearing, and sharing God's powerful WORD.
- **Creative Worship** Finding ways to involve all the senses in worship makes it much more engaging for participants with different learning styles. This class will provide a smorgasbord of practical ideas for things any church could do to begin to gently nudge worship into the "creative" realm.
- **Games Galore** Start to finish, we will pack as many games into our time as humanly possible! Active games, "no equipment" games, quiet games, name games, and the list goes on and on. We'll include lots of low or no supply games.
