CGSA Live Learning Centre Releases CITCTS 2015

The release of the [Live Learning Centre CITCTS 2015](#) means that the investment made by the CGSA to develop and present a top rate education program in Calgary will continue to provide value to superintendents and golf course management staff throughout the entire year and beyond. All-Inclusive and Conference Education (3 day program) registrants will have complete access to the 25 CITCTS 2015 sessions currently available on the Live Learning Centre at no additional cost. If you were a registered delegate in either of those categories, you should have received an email with a unique user name and password. That will provide you with access to all 25 sessions for the remainder of 2015.

For those unable to attend the conference in Calgary, you can still get value out of the investment that the CGSA made to develop and present the education program at CITCTS 2015. The [CGSA Live Learning Centre](#) is available to anyone wishing to access on-line education. For \$15 per session or \$99 for all 25 sessions, members can access the complete education program from Calgary. Non-member prices are also available.

Sessions from CITCTS 2015 include Rising Above featuring Master Superintendents Brian Youell, MS and Keith Bartlett, MS, Diagnosing Turf Problems with Dr. Aaron Patton, Ph.D., Saving Money on Equipment Fleets with Stephen Tucker, Practical Topdressing Techniques with Adam Moeller, Understanding, Assessing and Managing Shade Stress Problems with John Sorochan and 20 other exclusive education opportunities all available on-line, at your convenience.

In total, the CGSA Live Learning Centre includes over 100 hours of instructional presentations aimed at addressing concerns and issues faced by the golf course superintendent. It's easy to use and accessible 24/7, 365 days a year. All you need is a computer and an internet connection. The purchase of a complete package for any CITCTS year gives you unlimited access to that package of presentations for an entire year. To access over 100 hours of the best turf management educational material available go to the [CGSA Live Learning Centre](#).

The CGSA represents golf course superintendents from across Canada. Its mission is to promote and support golf superintendents. The association is also committed to environmentally sustainable practices with respect to the management of golf course properties.
