

# DAYS FOR GIRLS: KIT ASSEMBLY

We have done it. We have components for 500+ kits to assemble and ready for shipping to Kenya.

**When:** Saturday, Feb 7, 2015 from 9:00 a.m. till noon

**Where:** Trinity Church on the Green, New Haven

**Why:** Every girl in the world deserves education, safety, and dignity. Each month girls miss 5 days of school. Help girls have Sustainable Feminine Hygiene Kits and receive Health Education. Together we can keep girls in school and make the Chumvi Sewing Center a sustainable livelihood for woman.

**Donations** are greatly appreciated to help defray shipping expenses. Go to [www.khci.org](http://www.khci.org) or donate at the DFG Kit Assembly. Thank you!
