

"Finally someone has shown how the world religions can work together for the common good. It's about time!"

## **What the World Needs to Know about Interfaith Dialogue**

by Richard M. Landau, MA

### **Comprehensive ebook shows you how to build bridges between conflicting religions**

Yes it's true that many wars and conflicts have started over religion. Now here's an electronic book that shows you how purposeful inter-religious dialogue can actually bring about peace.

The product of 30 years of research and practice, *What the World Needs to Know about Interfaith Dialogue*, is a comprehensive ebook that covers virtually every aspect of dialogue between diverse religious groups.

**Selected by Beliefnet.com as a guide and authority for online interfaith dialogue**
