

How Did Your Last Three Sales Hires Work Out?

Introducing a real-world, step by step sales hiring e-course for hiring top performing salespeople

Written for our 500+ clients, available to you now for just \$477. Guaranteed or it's free.

Dear Sales Manager,

Most sales hires turn out to be mediocre. In fact only one out of four sales hires is a self-starter. Given the way most sales managers have been trained to hire salespeople it's no wonder.

You simply cannot rely on your gut to flip through resumes, then interview with no plan. Maybe it worked in the good old days, but that is not the case anymore. Art Sobczak at Business by Phone says "gut hiring usually just gives you a pain in the gut."

In the Advanced Hiring System E-Course "**Sales Hiring Secrets – A Step by Step Guide to Hiring Great Salespeople,**" you'll discover:

- The **biggest pitfalls of sales hiring – and how to avoid them**
- How to **create a sales hiring system** that puts you in control
- Proven tips for **knowing whether your applicant is full of BS**

This is real: know how they'll sell before you hire them
