When Only the **BEST** Will Do

Hi Friend,

How would you like to build a working toy backhoe - digger? Now you can do it easily with these plans. **14** pages of very **detailed**, easy to follow **step by step instructions** to build your children or grand children a toy backhoe - digger to use in the sand box.

This toy is built entirely out of metal so it will last for generations with very little up-keep (a coat of paint every now and then keeps it looking like new)
