-by Joey Atlas. "The Woman's Trainer"

**Jacksonville, FL** - No doubt about it: The lower body trouble spots and problem areas of a woman can be extremely stubborn and quite depressing.

From 'too fat, heavy and flabby' to 'very lumpy, unshapely and covered with cellulite' - the female leg, butt, hip, thigh and tummy areas can be the toughest problem areas to fix.

But armed with the right information and a tiny bit of energy you can make definite, visible and long-lasting improvements. By the time you finish reading this article you will be able to start fixing your worst body areas that cause you embarrassment.

Let's get started...
