*" I had a very troublesome anxiety disorder along with severe agoraphobia. I took seizure meds to prevent passing out. I was really deep in an horrible, unbearable condition, and you have truly saved my life. I did not realize what was going on...but your program made me see that I was not the only one! It has now been 10 months since I first implemented your 3-step approach, and I haven't had a SINGLE panic bout since. The constant anxiety I suffered from for more than 8 years had simply disappeared. I go out of*
