"That's one small step for man, one giant leap for mankind"
Neil Armstrong July 21, 1969

Explore the Galaxy in Glorious 3D from your PC

...to boldly go where no man has gone before!

Now you can get lost in space, fly anywhere in virtual space, at any speed, in any direction and at any time in history

A real-time, three-dimensional view of our solar system, the galaxy and the universe.
