## It Is Finally Time to Toss All Your Spanish Verb Conjugation Books in the Garbage

Have you ever found it impossible to express yourself in Spanish simply because you didn't know how to conjugate a Spanish verb? You knew the vocabulary words that you needed to express yourself in Spanish. But you just couldn't remember how to conjugate the verb that you were using in Spanish. And without correctly conjugating the Spanish verb that you wanted to use — the person who you were talking to had no idea what you were trying to say. And can you blame that person for not understand
