

Pay Off Your Mortgage Fast

The System We Used to Clear our Home Loan in Four Years.

To get rid of your home loan in under 5 years, you need a system.

The trouble with a mortgage is that sinking uneasy feeling you get when you know you can afford it as long as nothing goes wrong.

Your knowledge that you have to make that payment each week never quite goes away.

The mortgage payment seems like an acquaintance in the house. You have to feed it and look after it, but you aren't really all that close.

If you want to do something as a family, you always say, "but what about the mortgage". It makes you feel like giving it a name. You know, something like, Lucius.

"We could go fishing at the coast  Click Link Below  it Lucius?". Yeah, that works.
