VIN — Vehicle Identification Number. This VIN number is unique to each vehicle and is assigned by the vehicle manufacturer. Within the 17-digit number are different codes that indicate the car's make and model, a serial number, where the vehicle was manufactured and other information.

Every Report Checks for

- Salvaged Records
- Fire, Flood and Hail Damage
- Mileage Rollback

Compare to CARFAX

- The best price — only \$9.99 for a Vehicle History Report. You Save \$30!
- Real-time Data Access.
