

# "What To Do When the Black Dog Bites"

"Your guide to a happy and rewarding life.  
You don't have to feel this way!"

 self-help for sufferers of depression

**Discover How To Regain Control of Your Life and Feel Happier,  
More Contented and Confident.**

*"The time invested in reading and applying the information can reward with a new outlook, a better life, and most of all a respect of self. Get to work, there is no time to lose." Norman Barns.*

Why do you feel like this? It almost seems unfair. Even others around you who seem far worse off are happy and content, but you just feel so down and depressed.

- Do you feel sad, lonely and irritable?
- You feel anxious, helpless, hopeless
- You feel detached and apathetic – you just don't care anymore
- You don't understand WHY you feel like this
- You don't want to be around people, but struggle with being isolated
- Nothing you - or others say or do - seems to make any difference
- Do you lack self confidence and conviction?
- Why do bad things always seem to happen to you?
- When in public, do you feel vulnerable – what are they thinking about me, will they notice,
