

The screenshot shows a webpage with a dark blue header. Below the header is a white content area. At the top of the content area is a search bar. The main text reads: "Time is scarce and unless it is managed, nothing else will be managed. Being an entrepreneur is not easy and when you are not succeeding, it is difficult to pinpoint why...". Below this are two bullet points: "Do you jump aimlessly from one task to the next?" and "Do you feel overwhelmed by everything you have to do or do you lack clarity on exactly what you need to do to succeed?". Further down, it says "Feeling stressed or frustrated, stuck or overwhelmed is damaging to your business, your physical and emotional health." and "Being an entrepreneur myself, I wanted to create a simple but highly effective workbook to help you transform the results in your business. I've studied a wealth of material, designed programs and combined my experience to create **The Entrepreneur's Guide to Time Management**. This workbook is the ultimate guide for any entrepreneur wanting to succeed!". At the bottom left, there is a small text: "Master key skills to transform your business. Gain up to a minimum of 1 hour extra...". On the bottom right, there is a prominent red button with white text that says "Click Link Below" with downward-pointing arrows on either side.
