

From Marcus Santamaria, comes a Spanish course that is ideal for anyone from 30 to 99 years of age who wants to quickly and easily get by in real-life Spanish to speak with their amigos.

"Finally! An Easy Way to Get By in Spanish - And You Only Need 138 Words"

Using a simple method discovered by Marcus Santamaria,
anyone can learn to speak Spanish quickly and
easily...even if other courses have failed

About Marcus Santamaria

My name is Marcus Santamaria. That's me with my family in the picture above. After I met and married my wife, Elena, we decided to move to Mexico to be near her family. But I didn't speak a word of Spanish! I needed to learn the language so that I could interact with her family and friends.

But I had another motivation,

Dear Soon-to-be-Spanish Speaker,

Would you like to speak Spanish that could impress a native speaker? Want the words to freely flow from your tongue instead of sounding like a slowed down, broken record because you're constantly grasping for the correct grammar in your head?

Enough! The "traditional" way of teaching Spanish doesn't work for most people - especially if you're not in grade school or college anymore.

Even if you've tried to learn a language before and failed, now you can learn "real-world" Spanish quickly and easily. I am a language teacher and after years of using methods that just don't cut it, I have finally developed a course, Synergy Spanish, that really works for the rest of us. (If you want to know my motivation, read the "about me" in the side panel.)

And here's the best part: all you need to do is learn 138 words - more about this later. It will work for you if:

- You've never spoken a word of Spanish
- After ... you still can't ...
- You ...

Unsolicited testimonials from people just like you

"A few weeks ago my knowledge of Spanish was zero and now I am confident enough to speak the language."

"I am virtually at the end of your wonderful "Synergy Spanish" programme and in less than the 25 days have acquired a remarkable level of competence in basic
