... The Secrets Your Guitar Teacher Doesn't Even Know About

Hey guys, my name is Neill. I'm a guitar teacher based in London and I'm going to explain what kind of guitar player you'll be after going through my course.

After going through the Guitar Theory Revolution course you will:

- ✓ Be a better guitar player and musician.
- ✓ Stop feeling like you're too stupid to understand music theory.
- ✓ Feel like you've discovered secrets about the guitar that have been hidden from you. It's crazy to think some of this stuff isn't more well known.
- ✓ Stop wasting your time and money on useless resources that only confuse you.
- ✓ Stop worrying that you aren't progressing as fast as you'd like and feel relieved that you know exactly what to learn in order to progress.
