

The screenshot shows the top navigation bar of the Mark Patrick Media website with links for HOME, ABOUT, MEDIA, SEMINARS, PRODUCTS, and CONTACT. Below the navigation bar is the company logo 'MARK PATRICK MEDIA' with the tagline 'WE WILLPOWER YOU'. A central banner reads 'MARK PATRICK PRODUCTS'. The main content area features an advertisement for 'Wired For Weight Loss - Complete Package Includes Over \$100 in Bonuses!'. The ad includes an image of a box and several CDs. The text in the ad states: 'What most people don't realize is that the primary cause of many diet failures is not physiological! **It's psychological!** The mental programming locked deep in your subconscious mind might be the **ONLY** thing preventing you from reaching your goals. Wired For Weight Loss will not teach you what to do. It will make you want to do it! You can lose weight, destroy your cravings and desires for sweets and second helpings, become motivated to exercise, break compulsive, impulsive eating behaviors and become twice as full on half the food. Hypnosis is designed to eliminate the habits and behaviors that are making you overweight. Image how you would feel if you could wake up tomorrow, feeling **in control** of your health? Your subconscious mind has the power to end your emotional struggles with food and exercise. These techniques have been tested and proven.' Below the text is a yellow 'LEARN MORE >>' button. At the bottom of the ad, there is a red button with white text that says 'Click Link Below' with arrows pointing down.
